"Hummer" is Sensational! APHA Reserve World Champion in 2 Year Western Pleasure, Southern Belle Futurity Champion, tied 1st, NSBA Midwestern Summit Zone 8 O-Rama Champion, and has continued winning just receiving his Superior in Western Pleasure.

HOT LOPIN SENSATION is a breathtaking stallion with a tri-color overo pattern, kind eye, great conformation, slow, graceful movement and the champion bloodlines of Zippo Pine Bar.

His first foal crop have arrived in 2008! Just as we expected he has passed his attributes and color along to his offspring. His foals out of Quarter Horse mares have incredible color and pattern.

HOT LOPIN SENSATION is standing in Kentucky, his offspring are eligible for the Kentucky Paint Breeders Incentive Program, APHA Breeders Trust, NSBA and NSBA Breeders Championship Futurity, the Just for Pleasure and Southern Belle Futurity Programs, Tom Powers Futurity and Breeders Challenge and many state futurities.

Are you ready to breed your next Sensation? Breeding is by artificial insemination, on the farm or fresh cooled semen transported is available. Contact us for additional breeding information and discounts available.
